Important Notes

You may be assessed a fee of \$2 per transaction if you use your ATM/Debit card at a location other than those approved by us for free use. We currently have an agreement with Co-Op Financial Services to access their network. If you have questions, please contact the Credit Union or visit <http://co-opnetwork.org/>.

Please contact our Card Department prior to any out-of-state travel to ensure your card will work while you are on vacation. A quick call prior to your departure will save you from the inconvenience of your card not working while you are away from home.

If your transaction is ever declined and there is suspected fraud on your card you will receive a text and/or email from the fraud center. You must maintain a good cell phone number and email on file with us so that the fraud center or SWMFCU can contact you in case of an issue.
